STARS PICNIC

October 4th through 8th
FALL BREAK - NO SCHOOL

Monday, November 1st
No School - Teacher PD Day

The Annual STARS End of Summer Picnic will be this Thursday, September 23rd! You are invited to kick off the school year and say farewell to summer. Come join us for lots of family fun! Please see below for the session that you need to attend with your child's teacher. Teachers will be going over classroom expectations while the kids will be outside playing supervised games. Pizza will be served outside by the cafeteria door before or after your session, whichever you prefer. In order to make arrangements for food, we need your reply by Tuesday, September 21st. Please fill out the form that was sent home or call the office. We look forward to seeing you there!

K/1 Session: 5:30 - 5:45
2nd Grade Session: 5:50 - 6:05
3rd Grade Session: 6:10 - 6:25
4th Grade Session: 6:30 - 6:45
5th Grade Session: 6:45 - 7:05

We will be wrapping up our 6th week of school when we head into Fall Break on October 4th. Our students never cease to amaze us with their determination to grow in their learning and how much they have already grown just in this 1st month of school. I believe that many have seen the importance of enjoying their time with their friends and staff while they are in school, and making the most of everyday. As we work through this week teachers are preparing progress reports to go home with students on Monday, Sept. 27th. These will update parents of their student's progress at the half-way point of this quarter. Teachers will have parent teacher conferences around November which will allow parents to get a more in depth picture of their student's progress after initial assessments and 1st quarter report cards have been completed. We do have our STARS family night this Thursday, Sept. 23rd. All visitors must wear a mask while in the building for their child's grade level teacher sessions. Families are invited to enjoy some pizza outside behind the school either before or after their child's session. We look forward to sharing our classroom information and student expectations on this evening, as we continue our partnership with you to grow our learners in a safe and successful environment. As always, Please call if you have any questions or concerns. Thank you for your support!
