

FACE MASKS INSIDE SCHOOL BUILDINGS

The use of face masks by all students and staff during school hours will remain required until we feel it is safe to make them optional. Masking on all school buses at all times will also remain in effect. The purpose of these requirements are to provide the most protection from COVID-19 while it is so prevalent in our community. School district officials will continue to evaluate the local conditions surrounding COVID-19, and will communicate any updates as they occur.

QUARANTINE

Our schools will work individually with quarantined students to provide the best instruction possible, which could be remote learning utilizing Google Classroom. These students' absences from school will be excused. Communication with a child's school is vitally important to keeping in-person learning an option. Any child exhibiting COVID-19 symptoms or living in a household with someone exhibiting symptoms needs to stay home and complete remote learning.

POSSIBLE SCENARIOS

Non-Household / School Exposures

- No Symptoms- No quarantine necessary and may return immediately to school or extra-curricular activities.
- Has Symptoms-Must isolate for 5 days from first onset of symptoms. May return on Day 6 or later with no symptoms for at least 24 hours.

Household Exposure

- If Vaccinated with No Symptoms- No Quarantine necessary.
- If Unvaccinated-Quarantine 10 days from the last household positive test, and may return on Day 11 to school and all activities with no symptoms. OR
- Quarantine 5 days from the last household positive test. Person may return after day 5 if symptom free with a negative Covid-19 test.

Positive for Covid-19 (With Symptoms)

- Isolate for 10 days from the day symptoms began. If symptoms resolve for at least 24 hours, isolation may end anytime after day 5 with a negative Covid-19 test.

Positive for Covid-19 (Without Symptoms)

- Isolate 5 days from the positive test date. May return with No Symptoms after day 5.
