

THE STAR DUST

SOUTH HANCOCK ELEMENTARY

Week of: 04/08/2024

South Families,

We loved seeing all of our students and staff back in the building following Spring Break. As we look forward into these last 7 weeks of school, there are a variety of activities and events that are taking place. As a parent, I know it is important to be aware of as many things as possible, to help with doctor's appointments and other needed appointments. As listed, we will have a special Spring Performance with our Primary students, Grades K-2 on the evening of April 25th. Mrs. Jackson always does a phenomenal job and we can't wait to see our students perform on this night. Also, you will want to mark your calendars for the Family Showcase night on Thursday, May 2nd. We will have a couple of food trucks here that evening and a very special science presentation by Brad Reynolds that we know our students will love. The highlight of the evening will be that each family will be able to visit their student's classroom and see their work and progress over time this year, and just how much they have grown in their learning. Our students love showing their parents how hard they have worked and will be looking forward to this night. Lastly, our 3rd through 5th graders will be completing the Kentucky State Assessment the week of May 6th. If at all possible, we ask for good attendance this week, as each intermediate student will have to complete the assessment within our testing window. We are so proud of their accomplishments this year, and we know that they will shine as they always do!

EL POLVO DE ESTRELLAS

PRIMARIA DEL SUR DE HANCOCK

Semana de: 08/04/2024

Familias de South: Nos encantó ver a todos nuestros estudiantes y personal de regreso al edificio después de las vacaciones de primavera. Mientras esperamos estas últimas 7 semanas de clases, hay una variedad de actividades y eventos que se están llevando a cabo. Como padre, sé que es importante estar al tanto de tantas cosas como sea posible para ayudar con las citas con el médico y otras citas necesarias. Como se indica, tendremos una presentación especial de primavera con nuestros estudiantes de primaria, grados K-2 la noche del 25 de abril. La Sra. Jackson siempre hace un trabajo fenomenal y estamos ansiosos por ver a nuestros estudiantes actuar esta noche. Además, querrá marcar en sus calendarios la noche de Family Showcase el jueves 2 de mayo. Tendremos un par de camiones de comida aquí esa noche y una presentación científica muy especial de Brad Reynolds que sabemos que a nuestros estudiantes les encantará. Lo más destacado de la noche será que cada familia podrá visitar el salón de clases de sus estudiantes y ver su trabajo y progreso a lo largo del año este año, y cuánto han crecido en su aprendizaje. A nuestros estudiantes les encanta mostrarles a sus padres lo duro que han trabajado y estarán esperando esta noche. Por último, nuestros estudiantes de 3.º a 5.º grado completarán la Evaluación del Estado de Kentucky la semana del 6 de mayo. Si es posible, pedimos buena asistencia esta semana, ya que cada estudiante de nivel intermedio tendrá que completar la evaluación dentro de nuestro período de evaluación. ¡Estamos muy orgullosos de sus logros este año y sabemos que brillarán como siempre!
