**Hancock County District Wellness Policy  
Triennial Assessment - 2023**

In compliance with our Triennial Assessment of the Hancock County Public Schools District Wellness Policy, the following findings were acknowledged as non-compliant or changes were made to clarify our policy.

Page 2- The phrase "Learn today, lead tomorrow" was deleted.

Page 3- "throughout the school campus" was deleted and changed to during Elementary after-school programs.

Page 7- The word "local" was updated to "District."

Page 9- We added the word emergency medication and deleted the words epinephrine injection.

Page 13- We clarified that the student requirement for secondary students to take one academic year of physical education was during Freshman year.

Page 15- We moved after school activities listed from page 16 to page 15 under the After School Activities heading.

Page 17- We added under staff wellness that biometric screening appointments are offered to all staff and retirees from GRDHD. Appointments are made in 2 ways, either at the school or at the local health department.

For any questions or concerns regarding our District Wellness Policy, please contact Lora Johnson, District Health Coordinator.

To view our current policy, please refer to our District website at [www.hancock.kyschools.us](http://www.hancock.kyschools.us).
